

MADERA OVERSIGHT COALITION (MOC)

OBJECTIVE: To encourage responsible growth through adherence to Madera County General Plan Policies, California Land Use Law and to promote the health, safety and welfare for all within Madera County.

OUTREACH: Informing the public on subjects beneficial to the community, including the importance of protecting the natural environment from adverse impacts, which may result from man-made projects or environmental alterations.

ADVOCACY: Participate in Madera County General Plan changes; attend Board of Supervisor's and County meetings, Environmental Impact and CEQA report reviews, including monitoring of mitigations.

- We advocate the attainment of our objectives by addressing actions such as legislation, regulations, permits or other entitlements, to use judicial decision and by direct communications with, and urging the public to contact public officials concerning policy issues relating to the outlined goals of M.O.C. Such communications shall be limited to the regulations established for our organization operating under section 501(c)(4) of the Non-Profit Internal Revenue Code.
- We present informational programs through public discussion groups, forums, panels, lectures, and similar activities.
- Organized to educate and facilitate information to better serve the public.

There is strength in numbers !

Become a louder voice in Madera County

Come attend our meeting and participate.
Public is always welcome !
